Approval of Postgraduate in Data Analytics Proposal and Ethics Clearance

Your research proposal and the ethical implications of your proposed research topic were reviewed by the School of Computer Science Research Ethics Committee, a subcommittee of The Independent Institute of Education's Research and Postgraduate Studies Committee.

Your research proposal posed no significant ethical concerns and we hereby provide you with ethics clearance to proceed with your data collection.

There may be some aspects that you still need to address in your proposal. If this is the case, feedback will be provided to you in writing. You will need to address these aspects in consultation with your supervisor.

In the event that you decide to change your research topic or methodology in any way, kindly consult your supervisor to ensure that all ethical considerations are adhered to and pose no risk to any participant or party involved. A revised ethics clearance letter will be issued in such instances.

We wish you all the best with your research!

Yours sincerely,

E. Adam
